Milwaukee Christian Center (MCC) operates a Choice Emergency Food Pantry and serves individuals and families who reside West of 13th Street, East of 43rd Street, South of Pierce Street, and North of College Avenue. MCC provides staples consisting of a 3 to 5 day supply of food. In addition, we provide diapers and formula to at-risk infants, as well as supplemental commodity boxes for targeted elderly and eligible women with children. Notably, the pantry provides culturally appropriate food to Hmong, Lao and Latino families – all while communicating in their native languages. As a Choice Food Pantry offering culturally appropriate food, clients choose items to take home instead of receiving a box of pre-selected food. Pantry may be used no more than every 30 days. Client must have a photo ID, proof of current address, and proof of family size (e.g., ID, social security card, forward card, etc.). A current WIC book or birth certificate is required for infant formula.
